

EMILY MARCELA MONTERROSA CASTRO

Jr. Software Developer

(+57) 3246372082 - emilymonterrosa.c@gmail.com - CO

github.com/emilymontec - in/emilymontec/ - emilymontec.github.io/portfolio/

PROFESSIONAL PROFILE

Junior Software Developer with experience in web application development using Django and Node.js, API integration, and PostgreSQL database management. Building AI-powered platforms for automation and data analysis, with an interest in backend architecture and the development of scalable solutions.

TECHNOLOGIES

Programming Languages: Python, JavaScript (ES6+)

Backend: Django, Node.js & Express.js

Frontend: React.js, HTML5, CSS3

Databases: PostgreSQL, MongoDB

AI & APIs: Integration of AI models, LLM APIs

Tools: Git, GitHub, GitHub Actions, Deploy (Vercel/Render)

HIGHLIGHTED PROJECTS

NURA INTELLIGENCE

AI-Powered Business Analytics Platform

Stack: Python, Django, HTML, CSS, JavaScript, PostgreSQL, LLM APIs

An AI-based conversational analytics platform that transforms business data into insights, strategic recommendations, risk detection, and actionable decisions through automated analysis and reasoning.

KEISY MEDICAL

Intelligent Medical Data Management System

Stack: Python, Django, HTML, Bootstrap, JavaScript, PostgreSQL, ETL

An intelligent system for the healthcare sector that centralizes and processes clinical data, automates ETL workflows, and applies machine learning for the early detection of medical risks, patient classification, and the generation of data-driven alerts.

WORK EXPERIENCE

Freelance Developer

May 2025 – Present

IT Support Agent – Simón Bolívar University

September 2023 – April 2024

EDUCATION

Software Analysis and Development Technologist (In Progress)

Servicio Nacional de Aprendizaje (SENA)

April 2025 – September 2027

Systems Technician

Servicio Nacional de Aprendizaje (SENA)

January 2023 – April 2024

SKILLS

Problem-solving.
Critical thinking.
Continuous learning.
Adaptability.
Technical and effective communication.
Teamworking.
Remote collaboration.
Incident management.
Time management.
Responsibility and commitment.
Results-oriented.
